D.O. letter no. M.C.S. 6/45 dated 18th July 1945 from the Secy. M.C.S. Examination Committee forwarding the draft Notification prepared by the Committee together with a copy of the proceedings of the Committee

2. (1) Date of Examination

In the Govt. Notification No. 4219/CS. 316/44-1 dated 7th June 1945, it is stated that the Examination will be held in the later part of the calendar year 1945. But the committee has fixed 21st January 1946 as the date of the commencement of the Examination. In the year 1942, the Examination was held beginning on the 30th November 1942, with a view to give the candidates five months' time for preparation. The same reason is now put forward after conducting the examination from 21st January 1946. If the proposal is accepted the candidates will have about six months time at their disposal for preparation. The reasons for not holding the examination in December 1945 are that it would overlap the Winter Session of the Legislative Council and that holidays commence this year from 22nd December 1945. Besides the M.C.S. Examination and the various University Examinations will not synchronise as the latter come off in the month of March 1946. The date fixed by the committee is for orders.

3. Secondly if the committee's view regarding

date of Examination is accepted, the notification dated 7th June 1945 requires to be modified and it is suggested that the examination be called the H.C.S. Examination of 1945-46. The modification suggested is for orders.

4 (2) The last date for submission of applications by the candidates is 31st August 1945. According to this about 1½ months is allowed between the date of notification and of the submission of applications. In connection with the examination of 1942 a month's time was allowed. Though the number of documents that are required to be produced by the candidates along with their application, remain the same the excess period now allowed does not seem to be much and it may perhaps be accepted. This is for orders.

5 (3) Age limit

It is stated that candidates sitting for this examination must have been born not earlier than 1st February 1921. The question of fixing a lower age limit for this examination is stated to have been discussed by the Committee and it was finally agreed that a lower limit of 20 years be recommended in connection with the next examination. But Mr. B.S. Puttaswamy was in favour of the lower limit being applied with effect from this examination according to para 203 of the General circulars and standing orders relating to the

the Hyper Civil Services, candidates for the competitive Examination must not be over 25 years of age on the date of examination. The date now fixed by the Committee satisfies the condition laid down by the Standing order in this behalf. It may, therefore, be accepted.

(4) Certificate of Birth

According to para 5 (1) of the notification No. 46/34/CB/200-41/11124 dated 30th June 1942, it read as follows:-

"This may be a certificate from a Registrar of Births, a baptismal certificate or a certificate from a Justice of the Peace or a Magistrate of the first class, who shall give it only after satisfying himself that the date of birth given is correct by means of the candidate's horoscope or attested extracts from school registers or such other evidence as he may consider sufficient."

7. The present form now proposed is as follows:

"This shall be a certified copy of an extract from the University register regarding the age of the candidate, together with a certificate from a Registrar of Births and Baptismal certificate or a Horoscope whichever available."

It is now proposed to eliminate the production of a certificate by a Justice of the Peace or a Magistrate of the first class. The change now proposed is for orders

8 (5) Under Para 5 sub-para (iv) "permanent residence of the candidate's father or guardian" and under sub-para (vi) "extra curricular activities in which the candidate has participated, are proposed to be added." The additions proposed may perhaps be accepted.

9 (6) The Scheme of Examination ~~is proposed hereto~~ in Kannada, Sanskrit and Persian Languages and Literature Groups the number of papers ~~prescribed~~ Set in each case was three. It is now proposed to drop the third paper on composition ~~or~~ and Translation from or into while suggesting reduction in the number of papers, the Committee is silent regarding the fixing of the maximum marks of the remaining two papers. This is for orders.

It is only the number of papers set in these three languages that are reduced from 3 to 2. A Candidate will anyhow have to take 6 papers in all from all the groups & each paper carries a uniform maximum of 100 marks. GB

10 (7) At the end of the Scheme it is proposed to add as follows: "Each paper will be of ~~duration~~ three hours' duration." The addition may perhaps be accepted.

11 The changes that are now proposed by the Committee are for orders.

Kunte 20/7/45

12 This time the Committee was appointed a month later, and the further stages are, therefore, put off comparatively to some extent. The examinations in 1942 were held in December (from 30.11.42) In view of the Xmas holidays and the need

for giving adequate notice to the candidates the date of the examination is proposed to be from 21.1.1946. Enc. Note.

MD 19/7/45

Dear Mr. V[redacted]avyscharya,

Referring to Government Order No.30-31/C.B. 316-44-2 dated 9th July 1945 appointing a Committee to conduct the M.C.S. Examination in the month of November or December next, I am submitting herewith for the consideration of Government, as required in para 2 of the Government Order, the draft Notification prepared by the Committee at its First Meeting held on 17th July 1945, together with a copy of the proceedings of the meeting.

I invite your reference to the first resolution of the Committee that ~~20th~~ 21st January 1946 be fixed as the date of the commencement of the Examination. The Committee was aware that all the previous examinations had been held in the month of November or December and the Government Notification No.4219/C.B. 316-44-1 dated 7th June 1945 had stated that the Examination would be held in the latter part of the Calendar year 1945. But the Committee considered that at least a period of five months should be given to the candidates to prepare for the examination as had been done in 1942 and 1940. I may add that in 1938 and 1936 a longer period, viz., seven months, had been allowed between the date of the Notification and of the commencement of the examination. The examination ordinarily covers a period of 15 days and more and it cannot be held in December as it would overlap the Winter Session of the Legislative Council and holidays commence this year from the 22nd December. It can therefore be held only in the month of January 1946. If the Committee's view is acceptable to Government, I request that the Government Notification No.4219/C.B. 316-44-1 dated 7th June 1945 which states that the examination would be held in the latter part of the calendar year 1945 be modified -

P.T.O.

modified suitably and the examination be called the M.C.S. Examination of 1945-46.

I shall make a separate reference as regards text-books after taking action as indicated in the proceedings.

I request you kindly to obtain early approval of Government to the Notification and arrange for its publication in the Mysore Gazette as early as possible.

Yours sincerely,

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to Government,
Bangalore.

Proceedings of the First Meeting of the M.C.S. Examination Committee held at 9-30 A.M. on Tuesday the 17th July 1945 at the Office of the Director of Public Instruction in Mysore, Bangalore.

PRESENT:

2. Sir J.C. Ghosh, D.Sc.,F.N.I., Director, Indian Institute of Science, Bangalore.
3. Prof. R.S. Macnicol, M.A., Madras Christian College, Tambaram.
4. Dr. A. Subba Rao, B.A.,D.Sc.,(Lond.), Principal, Central College, Bangalore.
5. B.S. Puttuswamy, Esq.,B.A.,B.L., Public Service Commissioner, Bangalore.
6. M. Sultan Mohiyuddin, Esq.,M.A.,LL.B.,M.Ed., Director of Public Instruction in Mysore. (Secretary)

ABSENT:

7. M. Ruthnaswami, Esq.,C.I.E., Vice-Chancellor, Annamalai University.

Mr. M.Ruthnaswamy sent a telegram to say that on account of some important work at Annamalainagar it was not possible for him to attend the meeting on the date fixed.

I. Drawing up for submission to Government the necessary Notification regarding the duration of the Examination in different subjects, the scope of the papers, the text-books to be prescribed, etc.

a) Date of commencement of the Examination.-

In view of the fact that the Government order appointing the M.C.S. Examination Committee was received on 10th of July

July 1945, as it was not likely that the notification announcing the scheme of the examination and other particulars could be published earlier than the end of July 1945 and as it was considered necessary that a period of at least five months should be given to the candidates to prepare for the examination as had been done in 1942 and 1940, it was resolved that 21st January 1946 be fixed as the date of the commencement of the Examination.

RESOLVED further that in view of the above resolution Government be requested to modify their Notification No.4219/C.B. 316-44-1 dated 7th June 1945 stating that the examination would be held in the latter part of the calendar year 1945 and that the examination be called the M.C.S. Examination of - 1945-46.

b) Last date for submission of applications by candidates:

RESOLVED that 31st August 1945 be fixed as the last date for receipt of applications from candidates.

c) Age limit:

Mr. B.S. Puttaswamy urged that a lower age limit should be prescribed for the candidates as for the I.C.S. Examination. The Secretary pointed out that the M.C.S. Examination Committee of 1942 had considered this point and felt that the introduction of a lower limit would be a sudden departure from the old rules and would take the candidates of that year by surprise and that it was finally decided that this point might be brought to the notice of the Government in the Report of the Committee which was, however, lost sight of while submitting the report.

Sir J.C. Ghosh said that it was true there was a lower limit for age in the I.C.S. Examination, but the latter examination was being held regularly every year and the prospective

prospective candidates knew when they could sit for the examination, but in the case of the M.C.S. Examination they were quite uncertain as to when the examination would be held since this Examination was not held annually. He was therefore of the opinion that although a lower limit was desirable, it might be considered for the next examination.

After some discussion it was agreed that a lower limit of 20 years be recommended to Government for consideration in connection with the next examination. Mr. B.S. Puttaswamy, however, was in favour of the lower limit being applied with effect from this examination.

d) Certificate of Birth:

The question as to what could be regarded as satisfactory evidence of the age of a candidate was considered.

It was resolved that a candidate should be required to produce a certified copy of an extract from the University register regarding his age, together with a certificate from a Registrar of Births, a baptismal certificate or a horoscope, wherever available.

e) As for the other documents to be forwarded by a candidate with his application, it was resolved that evidence of the permanent residence of the candidates' father or guardian and full particulars of the extra-curricular activities in which the candidate had participated be also required to be furnished.

f) The Scheme of Examination:

RESOLVED that the number of papers to be set in Kannada Language and Literature, Sanskrit Language and Literature and Persian Language and Literature be reduced to two each, by dropping the third paper on Composition or Translation or both and that both the remaining papers be required to be taken in

in each case.

RESOLVED also that a note to the effect that each paper will be of three hours' duration be inserted at the end of the scheme of Examination.

II. PRESCRIPTION OF TEXT BOOKS:

The Secretary was authorised to select suitable text-books for Kannada, Sanskrit and Persian Language and Literature in consultation with the concerned Professors in the Mysore University.

As for text-books in English-Compulsory and Optional - Mr. Macnicol was requested to see what books were available in Madras and to recommend to the Secretary suitable text-books of the same standard as those prescribed for the Examination of 1940 and 1942.

III. DATE OF THE NEXT MEETING.

It was agreed that the next meeting of the Committee be held on Tuesday, 4th September 1945, at 9-30 A.M.

IV. ELIGIBILITY OF PROBATIONERS AND PERMANENT EMPLOYEES IN THE SEVERAL DEPARTMENTS OF GOVERNMENT TO APPEAR FOR THE EXAMINATION.

It was RESOLVED that all those that satisfied the conditions for candidature including those in Government service, whether as permanent employees or probationers, could apply for admission to the Examination.
